## **FAIRFAX ANNOUNCES ACQUISITION OF CANWEST GLOBAL SHARES**

Fairfax Financial Holdings Limited (TSX and NYSE:FFH) announced today that it has acquired, through its subsidiaries, 828,500 subordinate voting shares of CanWest Global Communications Corp., bringing its total holdings in the company to 13,390,300 subordinate voting shares or approximately 13.46% of the total subordinate voting shares outstanding. The shares were purchased through the facilities of the Toronto Stock Exchange for investment purposes. Fairfax continually reviews its investment alternatives and may purchase additional CanWest Global shares from time to time in accordance with applicable laws.

Fairfax Financial Holdings Limited is a financial services holding company which, through its subsidiaries, is engaged in property and casualty insurance and reinsurance and investment management.
